

Mrs. Nancy Petriella

April 24, 1948 - April 20, 2024

After a long and brave battle with cancer, Nancy (Oliva) Petriella died at the age of 75 in her home in Roswell, Georgia, on April 20, 2024, surrounded by her loving family.

Nancy was born in New Haven, Connecticut on April 24, 1948 to Alphonse Oliva and Eva (Baldino) Oliva. She is preceded in death by her parents and her brother, John Oliva. She leaves behind many loved ones, including her devoted, loving husband, Dennis; her daughters, Nicole (Jim) Wharton and Michele (Justin) King; sister, Carolann Muzio; and her five grandchildren whom she adored, Haley King, Thomas Wharton, Eva Wharton, Joey King, and Aubree King. Nancy was a dedicated wife, mother and grandmother.

Nancy and Dennis were high school sweethearts who married in 1970, spending those 53 years living life to the fullest; loving one another, raising their beloved daughters, cheering for their grandchildren in their various sports, and forging many close friendships that she cherished.

Among Nancy's many passions were watching baseball (especially the Atlanta Braves), relaxing at the beach, decorating and entertaining for the holidays, tending to flowers, shopping for antiques, feeding her family with recipes carried on from her Italian heritage, and teaching (touching the lives of so many students who affectionately called her "Mrs. P").

She taught us all about strength, perseverance, love, and zest for life. The world became a darker place with her parting, but Nancy will forever remain a light in the hearts of all who had the pleasure of knowing her.

Nancy's family will receive friends at Northside Chapel on Thursday, April 25, 2024 from 5:00pm until 8:00pm. A memorial mass will be held at St. Thomas Aquinas Catholic Church on Friday, April 26, 2024 at 10:00am. Following the mass there will be a reception at the Foxhall neighborhood clubhouse.

“ I’m so saddened to have stumbled across this. In high school Mrs. P was my favorite teacher. I met her when I took her class my sophomore year, and then being her student aide my senior. I remember I needed a recommendation letter from a teacher when I was applying for college, and she didn’t hesitate to do that for me. Today, I saw a instagram post where high school students were giving their game Jerseys to a teacher to wear to the game for senior night, I thought to myself how i definitely would have given mine to Ms. P. That thought caused me to look her up online to let her know my thought, see how she was doing and just thank her for doing more than I’m sure she knows she had done for me, only to learn she had transitioned a year ago. Wish I would have reached out sooner. Thank you Mrs. P for everything. I miss you.

I hope her family sees this, even though I’m late, just so they know that Ms. P is still very much loved and thought about.

“ My cousin Nancy: Surely delivered joy, kindness, forgiveness and understanding to Heaven as she delivered those attributes into the sphere of her life. She would greet my only half-sibling (at the time) with the expression “Oooohu-Oooohu” with a tummy tickle. She illuminated that Ward Street 3rd story apartment, in New Haven CT whenever she babysat us. She loved baseball- especially Roger Maris # 9 (New York Yankees.) And she would tickle me to exhaustion when my mother and I visited my Auntie-Eva on Dixwell Avenue. I remember the “Johnny-On-The-Spot-Cleaners” in-motion sign across the street from their apartment. She tried to convince me that the man was waiving to me.

Be well Nancy, See Ya when I See Ya.

“ We will always remember that smile! So many wonderful memories of times shared with her and Dennis in our "just starting out" days in Hamden. Very few couples have a spouse who takes the vow "in sickness" so devotedly as Dennis did. Our love to him and to her family.

Matt and I had the pleasure of knowing Dennis and Nancy in many venues. Nancy and I cheered on the Green Dragons in high school. I remember when she and Dennis started dating. Matt knew Dennis from Quinnipiac and was honored to be in their wedding three weeks after we wed. We both are saddened by Nancy's passing. Although the years have passed and careers moved us apart, Matt and I have many fond memories. May God hold her in the palm of His hand and bring comfort to Dennis and their daughters, grandchildren, and friends.

“ Nancy was always there for me as my god mother/friend especially when I was a kid/ teenager! She always bought me the best gifts too. I remember 1 time she got me a red turtle neck with my initials on the neck part and I was 16 yrs old. We laughed because Nancy said it was a problem with my initials because it spelled BRA Beverly Ramos with middle name Ann so she thought the boys would tease me so she had to have it initialed BAR instead so at least it made a better conversation! We laughed so hard and she taught me how to wrap xmas gifts using a yard stick for perfection in wrapping plus my mom her Aunt Annette always told me Nancy was the only little girl she knew that would save the tissue paper for her shoes and box then she would wrap her shoes after each time she wore them. Nancy was the tops always in my heart! May God bless my cousins/family in GA hugs here in Jersey for all of u! Luv Cousin Beverly
