“ *I have so many memories of Nancy and my sweet Momma when I was growing up with all the fun trips together in Nancy's big VW Bus to the Chattahoochee River to spend the day in that freezing water, and eat sandwiches on the big rocks!! I have so many memories too many to mention them all but they were all so special to me!! I feel like Gina is my sister I never had, and so glad we have been able to stay in touch. My heart goes out to all of the family and you all are in my prayers. 🙏
RIP sweet Nancy, I know you are very happy and so is my Momma being there together once again!! Fly High Angles!! 🕊️🕊️😄😄

“ *My Aunt, my daddies baby sister. Heaven gained another angel. Heaven is filling up with all my family. I cannot be sad because you are now sitting at the feet of God. I find myself a little envious to say the least. My dad gets to give you a big hug and say welcome home little sister. You get to see my sister Rita, whom I miss so much. You get to see Granny & Pa, not to mention all your siblings except one. Then there is Tracy and Rhonda your children. I may shed a tear because my earthly, selfish heart breaks but my mind sees the Heaven you gained. This is not goodbye sweet Aunt who was fuller than life but I will see you when my last breath is taken. Until that day, please give everyone a big old hug from me and tell them I miss them all. I will love you forever. 🥹🙏👼*
