“ *Nathan, I miss you every second of every day. I would have written to you sooner but I'm hurting. My heart is broken and I will never be the same. The constant heartache and pain that I feel is with me from the time my eyes open to the time I fall asleep and hope to see you in my dreams. You didn't deserve this. You had so much to offer the world. You are so kind, gentle, handsome, such a sweet soul. I love you so much and will never stop thinking of you. We all miss you so very much. I pray that you are at peace and surrounded by love. I will see you again. Mom*

“ I have many fond memories of Nathan. Growing up with him from the day I was born. He was like the little brother I did not have. His body and presence will be sorely missed. But the spirit of him and the memories I hold dear. Will last until I see him again. I can honestly say our night skies gained another star for me to search for. Nathan I love you buddy and I keep my head held high in hopes of seeing that one star shinning bright. When ever that maybe.

“ I worked with Nathan for 5 or 6 years at Locos Eastside. He was the nicest guy, I've thought of him often since leaving Athens. We would trade music, I still have some burned cds from him. I'm very sorry for your loss.

“ I'm so saddened to see this Hamby. My condolences to Nathan's family. I worked with Nathan at Locos for 3 years while he and I attended college. He had an amazing smile and funny sense of humor and will be greatly missed.

“ *Dearest Nathan,*

One of my first memories of you years ago, around 8-9 you went to my niece Sarah's birthday party at a skating rink. I thought you were such a cool kid, you were carefree and enjoyed just being a kid! As years passed by, I always thought you were kind and still such a cool kid and had a sweet nature to you, you never lost it. I wish as an adult I saw you more frequently. When I did see you as a grown man, you never lost those qualities. I will think of you fondly, always with a smile. I wish you peace and comfort sweet boy.

“ *I don't have many words to say, and couldn't bare to go through photos yet. I admired you in every way. I have so many memories of us with my Avril lavine cd when you would sing and dance with me. I feel like a piece of our family is missing and I will think of you and live for you. I love you more than words can describe big brother. You left us too soon and we loved you too much. I hope you're in paradise my guardian angel. You will forever be my brother. Your sister, Meredith.*
