“ *My heartfelt sympathy to the family. Nellie Jo was my college classmate, and we had many happy times together. Especially precious was having her ride along with myself and my husband to LaGrange College for our 50th Class Reunion weekend. Walter, we met you then when we returned to drop your Mother off at home. I know you miss her greatly and pray that God's love and hope support and comfort you in her absence. Her love, too, will always surround you.##imported-begin##Mary Jane Gallagher##imported-end##*

“ *Walter,*

I am so sorry to hear about your mother. I regret that I will not be able to make the funeral, as I will be at the airport seeing Kayla off to Belize. You and your family are in my thoughts and prayers.
