“ I know there are no words that I can say that will ease the pain. Only an observation that Noel lived her entire life knowing the immeasurable unconditional love her family had for her. In the end, we will all recognize that the love is the only important thing. In Noel's case, every day she felt and gave that love; and for that we are all blessed.##imported-begin##Martin Crippen##imported-end##

“ I was so excited that you were a girl I remember the day we found out you were a girl everything was so special from that day forward. Haiden was our surprise and our first love but you were our little baby girl and oh the things we looked forward to doing with you- pink, purple, bows, lace, frills filled our heads. I was looking forward to giving you your first bottle! We were all trying but you only did it for your dad on the last day of your life and he was so happy he sent me a video. You are so beautiful and I would give my life to bring you back to Kat and Andrew##imported-begin##Wayna your Nana##imported-end##

“ i do not know u personally but I'm the sister in law of shirlene Rhea, she's Edna to me. But I share ur loss! I hurt for u and with u! I lost my first child and only son almost 20 years ago, yes I still hurt for him but I wouldn't take him out of Gods arms for anything!! Know that noelle is right there with him. We can never understand what our children would faced in the future and I'd much rather have my baby in Gods hands. I will not lie to u, it is hard burying your own child. I had a open casket and I'm so glad people got to see the beauty of my child. I've done several things to keep Tyler a part of our family. Both my girls grew up knowing they had big baby brother. I pray God will wrap u all in his wings and carry u thru the horrible time. Can u imagine how sad heaven would b withot babies, and just think we are the ones God hand picked to have our child beside me!! Ive told Edna that u are more than welcome to call me, I can meet u somewhere and show u sime of the things I did to keep Tyler a very important part of our life!! Uve got a great friend in Edna and it touched my heart that she remembered my loss and sought advice on some things. I will always be here for u, if u would rather email me u can , kipkipkip1970@aol.com, I'm available any time and always know that u do not have to face this alone!!! I send u my love and pray God wraps u in comfort thru this!! Call if need anything or just wanna cry, I understand both!!!
My love and blessings to u all,

“ Kathryn and Andrew, I am so sorry for your loss! GOD will give you the strength to go on with your lives. Never forget your beautiful child Noelle, but do not let that memory interfere with your love for Haiden or each other. Demonstrate your love for Noelle through affection amongst yourselves!

Noelle is at peace. I can see her smile.##imported-begin##Hyman Crippen##imported-end##

“ Kat, there aren't words to help assuage what you are going through. I am so very sorry is what comes to mind, but it feels so empty. Noelle is beautiful and Haiden will need all the love you have. When my mother passed, I learned that people attempt to respect you by "giving you your space", but the unintended consequence is that you feel more alone. You have many people in Atlanta that love and support you, I am also here to support you, only I am in Seattle.

I love you, Kat.##imported-begin##Erik Oppenheer##imported-end##

I Love and miss you so much, You have truly touched us all. Your smile and laughter is all I can think of. We all looked forward to Sunday brunch so much to see you and your brother. I will never forget the way my beard bothered you when I would lean in for a kiss.

“ Kathryn and Andrew - As I sit and look at pictures of Noelle, I struggle to believe that this is really happening. We know that life has its disappointments, but the loss of her is far beyond what one expects to bear. Until she was born, I never thought a girl could be born that was more beautiful than you, Kat. Everytime I told her that she is "the most beautiful baby girl that's ever been born in the whole wide world", her face lit up, proving what I had just said. She is now smiling at the only face more beautiful than hers, that of God himself. How I ache for what you are going thru, because I know my sense of loss pales in comparison to yours, and mine is more than I can bear at times. I am thankful that she was given such a loving home for the time she was in this life. It only proves how special she is to God. She was blessed to have you as parents.##imported-begin##Jeff Crippen##imported-end##

“ 15 People were also bringing babies to Jesus for him to place his hands on them. When the disciples saw this, they rebuked them. 16 But Jesus called the children to him and said, “Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. 17 Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it.” Luke 18:15-17##imported-begin##Shirlene Rhea##imported-end##
