“ *Hi, I am the daughter of Jane Griggs(Brock) and I cannot attend but I wanted to send my condolences. God be with you and your family and bless you during this time. I have been working on the Genealogy for the family and she is also in it. If you would be able to help me in any way to finish the book please feel free to contact me. She used to talk about the family history when I was little at the funerals of past family members and I was always listening. I now have put all of the info that I get into a book and will be publishing it soon. If you have any family photos please let me know also. I hope that you find peace with knowing that she is with the Lord. Sincerely, Cindy R. Griggs-Adams###imported-begin##Cindy R. Griggs-Adams###imported-end##*
