“ Terena, Evan, Zach and Clive, I surely wish I had known your mom purely because I am blessed to know your family. May God carry you all in His loving arms and hands to peace in the beautiful memories and times you all shared over her lifetime. Your family is blessed to have enjoyed so much time with your mom, grandmother, friend forever for as much time as she was here on earth. “ *Ola and I worked together on a business of mine for several years. She was wonderful to work with. The business brought me to her house frequently and we would always make time to talk about her garden (great tomatos) and her fllowers. She was al pleasure to spend time with and she will always be remembered by me as a verry dear friend.*
