“ *BeeGee,*
Don't know if you remember Jane Johnson & myself - Jane's son is Mark Johnson. Years ago Jane borrowed your notes about real estate & they are the reason I am in the business today.

We all thought a lot of your husband he was special man. I lost my husband 3/30/06 from lung cancer so I can certainly sympathize with you.

Just know that we care about you and your family and if we can ever do anything to help you we will be there for you.

There is a website that has help me greatly - it is www.griefshare.com

Take care,
