“ *We have had the wonderful opportunity of spending collegiate and early professional years with Pam while she lived in the UF/Gainesville, Florida area. Pam was unique in her care and attention to all of those in our cadre and was always the first to take the lead on many personal celebrations such as bridal showers, weddings, and other life events. The generosity that Pam bestowed upon us will forever travel with us in our lives. She more than others was aware of life's frailties. She worked tirelessly in her family, professional, and personal associations to support those less fortunate. Our condolences to all the family and others who loved our good friend, Pamela Biggs – God Bless You.*
