“ For Mike & family - I remember the times we shared family memories and know how much you love your mother. I am so sorry for your loss but thankful to her for raising the man you became. Love to all of you as you grieve. Remembering how close I felt to God's presence when my own mother passed on makes me pray you have that, too.##imported-begin##Sheila Meador##imported-end##

“ To the Smith Family.....We were all so blessed to have in our spiritual heritage your sweet wife, Mother, Grandmother.....her presence will be greatly missed.....thankful that we know that so many of our Woodlawn loved ones were there to greet her and I can only imagine the rejoicing going on with no pain and sadness....and all the pretty flowers, cakes, art....and maybe even those great rolls from the Wednesday night suppers!

Thankful to have been a receiver of this great legacy!

With much love and sadness,
