“ *She was so lovely. I from the first time I met her was always so kind to me. you meet many people in this life when you meet some one you seemed to have known when you met them. that is what I felt. always kind. my sister loved her.Mary talked many times to me about her. never a unkind word. I hope and pray my brother in law Greg and your family I share. that you have comfort in this time of great sadness. love you all. God bless.*

*I'm so sad. Pat was a mentor to me when I first joined Delta in 1966. We worked together in the Merchandise Mart. Can still hear her laughter. A privilege to have known you.

There was no one else like her. She was very thoughtful, smart and caring. I enjoyed long conversations with Aunt Pat and it was evident how strong her faith and love of God was. There is a very sweet Angel in heaven now watching over all of us. Love you Aunt Pat. Penny
