“ Hey Mae! You may not know me, but you probably know my sitser (Erinn Ruff). I just wanted to say congratulations on your blog and your new position as part of the naturallycurly.com family. I consider myself to be something of a natural hair blog connoisseur (:D) and your site is fantastic and inspirational. I BC'd in June '07 but since there is still so much that I feel I am learning throughout this process, blogs such as yours are a welcome source of knowledge. I must say that it is somewhat of a surreal experience for me to watch your vids because I remember seeing you and your sitsers as young children on Sabbaths at the OC church (I was at OC from 99-2003 and your dad was the assistant pastor for most of that time. Wow I feel old!:) You and your sitsers have grown into lovely women and I encourage you to continue to acknowledge the Lord (as you have been) in all that you do. Your hair is fabulous. Keep up the great work.##imported-begin##Michelle##imported-end##
