

Mrs. Patricia A. Howard

November 24, 1940 - May 24, 2017

Patricia A. Howard “Trish” passed away peacefully on May 24th 2017 at the age of 76. She was a native of Alpharetta who was especially devoted to her family and all her many friends, and always enjoyed spending time with both. She truly loved people, always had a twinkle in her eye and the uncanny ability to make people laugh and feel right at home. Trish never met a stranger and will always be remembered for her warm kind easygoing spirit and incredible inner strength. She was one of those extremely rare individuals whom everyone loved and she loved in return. She was affectionately known to us all as “Nanny”. Trish was preceded by her late husband Norris and her son Todd. Survivors include her Daughter, Pamela Howard Franco (Morris); Son, Scott Howard (Suzanne); Grandchildren, Ryan Franco (Lexi), Ally Franco, Christopher, Emily and Austin Howard. Her most recent joy was the addition of her great grandson, Cooper David Franco whom she welcomed with loving arms. She is also survived by her dear loving sister in law Edna Boling, numerous nieces, nephews and cousins, all dear to her heart. She will be greatly missed by family and friends alike. Trish was a member of the Alpharetta First Baptist Church and truly enjoyed the fellowship there and was a proud member of the “JOY” group. Visitation will be held at Northside Chapel Funeral Directors on Friday, May 26, 2017 between the hours of 4:00pm and 8:00pm. Funeral services will be held on Saturday, May 27, 2017 at The First Baptist Church of Alpharetta at 11:00am with interment to follow at Green Lawn Cemetery.

“ *Scott, Pam and family. You are in my thoughts and prayers. I am sorry we couldn't join you for the service. We would have been there if we did not live in FL.*

“ *We always loved it when Pam brought Trish to the tennis matches. We could always count on her smiling face to support all of us, and to offer great tennis commentary during the match, and then to give us her feedback of what we should have done after the match! We loved having her there and will miss her dearly. Lourie Taylor*

“ My son Kevin (6) and I would often see "Ms. Trish" at the Waffle House on Old Milton. We became friends and she would always welcome Kevin with a great big hug. She recently shared a picture of her great grandson and I didn't have the heart to tell her that she had shown it to me just a few days prior -- she was so very proud and rightly so. Our thoughts and prayers go out to her family -- judging by the other comments here, she was obviously a special person and touched many lives in a positive way. I am so sorry that we are unable to attend the services and that we can't share our affection for Ms. Trish directly with the family, but please know that she was loved by many and will be missed greatly. “ Aunt Trish holds a special place in my heart. Being from S California & going to small town Alpharetta and staying with Trish made my childhood that more special and what a great childhood with 3 Aunts, 3 Uncles and 7 cousins all on the same street. When Pam & I were real young we were doing something in big downtown Alpharetta & the lady asked who do you belong to? I said I'm a Boling! She answered back I will be calling Trish. Everyone knew Trish. I always knew where Trish was in the crowd of many Boling's with that laugh & thick Georgia accent. It took me a few yrs to figure out what yonder & yeller meant. I think of her every time I hear someone say it. I miss her and loved her very much. I have to stop or it will be a novel.
