

## Mrs. Patricia L. Nanni

July 8, 1935 - November 8, 2021

Patricia Louise Hollendursky Nanni, lovingly known as Patti, Miss Patti, Mom and Gram, Roswell, GA went to be with the Lord on November 8, 2021. Patti was born July 8, 1935 in Masontown, PA. She spent her early life in Pennsylvania and Ohio and made her way to California where she met her husband, Elio. She was a woman of many talents and interests. She worked as a secretary, administrative assistant, bookkeeper and operated a school book store. She raised six kids as well as being a second mom to all of the kids in the neighborhood; her weekly spaghetti dinners were a big hit. After raising her own children, she became a foster mother for newborns. She was able to give her love to the smallest of God's children for five years. She then found her calling in life – the Catholic Church. She started as a volunteer, worked in numerous ministries and eventually retired from the Archdiocese of Galveston-Houston. She continued as a volunteer for many years after her retirement. Believing in others, sometimes more than they did themselves, she embodied Christ's love and truth in all those she encountered.

Patti is survived by Elio, her devoted husband, and a large family of which she was extremely proud: Bill & Amber Nanni, John & Dana Nanni, Lou & Ruth Nanni, Karri Nanni, Vicki & Bobby Fore and Mario Nanni. She is also survived by more than 30 grandchildren and great-grandchildren. She was preceded in death by her brothers, Edward, Robert and Steve; her sister Kay Algeri and her grandchildren Jonathan Nanni and Richard Taylor.

Mass will be celebrated on November 19, 2021 at 10:30am at St. Peter

Chanel Catholic Church, Roswell. She will be laid to rest at the Columbarium Memorial Garden at St. Brigid Catholic Church, Roswell. Northside Chapel of Roswell is handling the arrangements.

“ *My dear Patti, what a blessing it was to have met and worked with you at St Luke, in Houston. Patti was our "go-to" lady for any theology and other church questions and you know she always had the answer. We spent good times at conferences and outings and never a dull moment. I learned so much from her on Stewardship. May she rest in peace and my prayers will continue for Patti and all her family.*

“ *I was so saddened to hear this news. So many of my childhood memories include Mrs. Nanni. She took care of all of us kids and enjoyed every second of feeding us her infamous spaghetti. I will always remember the giant pot on the stove. Rest in peace sweet lady and i will never forget you.*
