“ *William,*
Words are not adequate to let you and others know how tragic ,
senseless and horrible the news of Pat's death is to me personally
and so many others . As you may remember we worked together for
many years and in that time had so many wonderful , fun and
laughing times . Her memory is forever imprinted on my brain.
Take time to mourn and others will surround and understand . Much
love , thoughts and prayers .

“ *I worked with Pat for 10 years at AT&T/Lucent technology. She was*
so understanding when she was teaching me.
We traveled to Boston together for classes
She had a dry sense of humor and always made good decisions
I will miss the memories we made

Much love to William with his loss

“ My husband, Stanley, was William's best man, at his & Pat's wedding. I met Pat years later when we finally started meeting every so often for lunch. She was a sweet, kind, wonderful person that I always looked forward to seeing. Stay strong, William, and know your friends are here for you. Stanley and Deloris

“ *I have so many memories with Pat from our years at Shorter to our love of travel to favorite tv shows, to the trips we took and to our Faith. Our memories together will stay with me the rest of my life. Pat was kind, thoughtful, forgiving, generous and loved her family deeply. I will miss her friendship so very much! I will see her again one day. Prayers and peace I pray for William. In love, Pam Sims*
