“ My heart is broken, yet we should rejoice for Pat and the heavens above. She was truly my best friend, and we can honestly say we experienced all ups and downs of life together. At 19, I lost my childhood best friend to cancer and 2 years later Pat came into my life to fill that void...and the rest is history. Dennis, Jan, Jean, Chad, Nick and Randy you all know how much I loved Pat and love you, so please know that I am always here for all of you and very much want to keep you in my life. Rest in peace my sweet friend, I love you.##imported-begin##Debbie Medlin##imported-end##
