

Mr. Patrick W. Doggrell

November 6, 1956 - March 30, 2018

Patrick Walter Doggrell, age 61, of Peachtree Corners, Georgia passed away on March 30, 2018 of natural causes. Born in Los Angeles, CA, raised in Pensacola, FL, Patrick's smile and heart stretched from coast to coast. Having a never-met-a-stranger attitude, he was always there to put out a helping hand to those who needed it. Unless you were on his beloved basketball court - then all bets were off.

His sense of humor was undeniable, as was his eclectic yet wonderful taste in music. He will be missed by so many, and rest assured they had a triple espresso macchiato waiting for him at the pearly gates.

Visitation will be held at the Northside Chapel Funeral Directors & Crematory, Tuesday April 3rd from 5-8pm, and Wednesday April 4th 10-11am, with the funeral service at 11am. A graveside service will follow at the Green Lawn Cemetery.

“ My name is Shawn Perry and I am a lifelong Musician/Keyboardist/Vocalist born and now again based in Panama City, FL and that is how I came to know Pat. He was the Lighting Director for the Circle Six band (among others) and we traveled the country together and had the great experiences that are unique to the Rock&Roll business. One of the highlights was when Circle Six opened for Rick Springfield in Spring 1985 at the Lee County Civic Center in Ft. Myers, FL. We were a relatively new act and got this opportunity to open for one of the top music acts of the time and Pat stepped up and made us look like we had been there before with his lighting expertise and made that night one of my (and my bandmates, i'm sure) best Musical experiences in my life, never to be forgotten. I hadn't seen Pat in recent years but we had a familiarity and humor that would simply feel as if no time had passed. I'm sad that I will not see Pat again in this world but those experiences will live as a permanent part of my memories. My condolences go out to his family. Farewell Pat, you will be missed brother.
