“ *Dear Jayne,*

*I am so sorry to hear about Paul. Since we have lost touch over the years, I had no idea he was ill. He was so young and I know how devastated you are. You have my deepest sympathy. I remember when my Mom died and you told me that it never gets better, but it does get easier. You were and are so right. Hope Erin & Erika are doing alright and that you can give each other the support you need. Beth sends her condolences too. She was as surprised and I was to hear about Paul. Email me anytime if you like.*

*Love,*
