*Beautiful tribute.
When trying to find words for comfort nothing feels proportionate to the gravity my heart feels when I think of what you all are going through. Therefore I can only provide prayers of healing for your family. And I am praying for that Dailey and will continue. My heart is broken for you guys.*

*Much Love is being sent your way-

“ My heart is very sad that Paul is no longer with us; however, his robust, fun personality will always be with us. As his teacher in 5th grade, I loved the twinkle in his eyes and that ever present contagious smile. I have often thought of Paul and wished I knew what he was doing with his life. I will always have wonderful memories of our time spent together in my 5th grade classroom at Tritt Elementary. I know you are dearly loved by your wonderful family and friends and I will keep them in my thoughts and prayers.
