“ *Aunt Pauline was a real sweetheart! I will always love her for taking care of my dad when their Mom died. My dad was a young boy when she died and I'm sure Aunt Pauline took good care of him! I have fond memories of visiting with the Kenny's every Sunday after church. Jeanine and I played Mary Poppins...we jumped off the couch with our umbrellas opened pretending we could fly! When I had kids of my own Aunt Pauline would come from Florida to Mom and Dads house. She always made a big fuss over the kids using her "baby talk". Jeanine, Nannette, Paul and Rick you are all in my prayers. Love you,
