“ *I knew Peggy for 33yrs. We worked together at Thackeray in San Diego and managed to remain friends until this day.....although we were miles apart. She was my online Scrabble buddy until a few weeks ago. This is such a loss for all of us who knew her. I think that Peggy had been searching all her life for that perfect love, and now she has it. That unconditional love of Jesus Christ our Lord & Savior that is there for all of us. May she rest in the peace she deserves. And we can look forward to seeing her again one day.....she is there in Heaven waiting for us to arrive.*

My sincere condolences to her entire family,

Lois "Lolo" Hill.....her friend in Missouri

“ Like Jennifer, I knew Peggy from childhood. We all went to schools in East Point and shared many happy memories from our high school days at Headland. I am so glad that I was able to see Peggy this past June. What I will always remember about her is her genuine way of showing that she was interested in each person she talked with. Her compliments were sincere and her eyes sparkled right along with her beautiful smile!

“ *Peggy and I were good friends from the 3rd. grade, through high school and were both Art majors at UGA. I was always amazed at her artistic abilities. I used to ask her to draw something for me and, of course, she would and I would cherish it.* ”
