Linda, I didn't know your husband, but when I saw the name, I immediately thought of you. You have come to me for alterations in times past. I am sorry for your loss and I pray. That God will give you strength for your days ahead. You may remember our daughter Carla with special needs. She passed last February from complications from a fall. We are sad she is no longer here, know she is with Jesus and is healed! Joanne Miller

“ It's been a few years since we would meet at the lake house to go Hunting in the the fall. Phil would show up with a truck loaded with food. For the next few days we went deer hunting and ate. The stories we would share at night will never be forgotten. They are all made of legend, especially those cigars. Phil was a great part of those legends. He will be loved and missed.

“ Very sorry for family loss. In the very brief time I got to interact with Phil. He was a very nice man and you got the sense that he would do anything for his family and friends.
