“ *Dear Mama,
There will never be a way for me to let you go. You were my first friend and my best friend. I will do everything I can to honor your memory for the rest of my life. I am so glad that i favor you in looks because I will always be able to see a little bit of you everytime I look in the mirror. Thank you for every sacrifice you made for me. Thank you for loving me. Thank you for being there whenever I needed you. Thank you for giving me an example to follow for being a good mom. I owe that to you. I'm not 100% sure how I'm supposed to do this life without you. Until I can have your arms around me again in heaven... I LOVE YOU.
Amanda.*

“ *I have known Ann since I was 4. She was one of the best friends I ever had. Grew up together. My mind is flooded with memories. Wasn't much we didn't get into. Love her and her family so much. Our childhood memories will be in my heart forever and ever, Amen.*

“ *I met Anne in 1984 worked I started working at Heritage Bank. We also worked together a few years later at First Colony Bank and then American Trust Bank. She kept us in stitches and was a joy to work with. She had many talents, however, one of her best was definitely her good ol' southern cooking! I got to benefit from her great food many times over the years. So saddened for this loss and praying for the family.*

“ So sorry to hear about the loss of such a nice lady, I have been a friend of the family for many years, I was a little younger than Anne but when my parents would go visit her parents she would hide her Barbie dolls, she didn't want me to play with them, then in later years I worked with Anne at First Colony Bank, we took banking classes together, I know she will be missed by all who knew her. Be sure to say HI to my dad in heaven.

“ Dondi, I have the sweetest memories of Miss Anne that I will hold onto forever. May God wrap his arms around both you and Amanda and help you find peace. We never know the reasons for these things but trust that God has a plan and needs her back home. Love you always, Melanie

“ *Sweet Anne, I am so heartbroken that you had to leave us, but I know you are having the best reunion there in heaven. We didn't see much of each other after we grew up and had families of our own, but I sure remember all the fun times we had as little kids. I'm going to miss you, Cuz. Love, Rene'*

“ *Dondi, Amanda and family, Anne was one of the most loving and wonderful person I have ever met. She was my sister in law years ago and I've always thought of her still as my sister in law. I was so happy when she met Dondi . You could see the happiness in her eyes once again. She was a wonderful wife, mother, and grandmother. I love you Anne and will miss you forever. I know you will be watching over your family everyday holding them close. Love Pam Peace to you.*
