“ *So sorry to hear about your mother. Worked with your mom at GE when you were in High School and remember when you had Drew. Went to Winston-Salem for a long weekend-went to the mountains, beach, etc. Still have pictures. We had so much fun. Sent cards but lost contact over the years. We had such good times. Didn't know she was in Georgia. Sent the obit to many friends of Phyliss at GE who remembered her and all are so shocked to hear of her passing.##imported-begin##Pat Sharpshair Gargano##imported-end##*

“ I am sorry I could not be at the service today. I will miss Phyllis and Mandy in the neighborhood. She was always so gracious and kind. Bruiser will cherish his "big brother" bandanna that he got from Phyllis before his little sister was born. I will remember her every time he wears it. I wish you and your family peace and know Phyllis is at peace as well.##imported-begin##Kirstin Aiello##imported-end##

“ I am so very sorry to hear about Phyllis passing. We were neighbors and I have moved away but kept up with how Phyllis was doing through Julie, another neighbor. I can still picture Phyllis walking Mandy. I can also remember when she got her new car.##imported-begin##Jill Floro##imported-end##
