“ My mum, Eshubala Mohanlal Haria, vividly recounted that Prabhulal Uncle had a soft spot for the young Jiten and would scope him up in his arms whenever we visited them in Calder Gardens. Uncle introduced Jiten to ‘passion fruit’ (a rare treat 50 years ago) and would hide them around the house. Jiten would go to find them and bring them back eagerly, so that Uncle could prepare them for Jiten to gorge on!

*Last week, Prabhulal Uncle passed away 2 days after my brother Jiten, passed away.*

*I'd like to think that Jiten had found a passion fruit and was waiting there for Prabhulal Uncle...*

*May Prabhulal Uncle's soul be at peace.*

*Om Shanti Shanti Shanti*

*We have fond memories and wish all of the family strength to cope with their loss.*
