“ I visited Rachel and George several summers ago. We walked through their beautiful back yard. What a talent Rachel had for growing flowers! She gave me seeds to plant. I think of Rachel when I see her flowers growing in my yard.

I grew up with Janice. What a blessing she was!

“ Rachel will live with me every day as I see the beautiful plants she gave me. She was as beautiful as the flowers she shared with everyone. . I'll miss you, Rachel, but you live on in the gardens of everyone you met. My condolences to you, George. I hope you find comfort in remembering the happy times you shared with Rachel. May she see the face of the Lord and dwell in his house forever.
