“ Dear Family - I'm so sorry for your loss. I've only know Rachel for a couple of years, but I know she's with her Savior, Jesus Christ, now! I pickup kids from their park (Daniel, Justin, Kyle and Cameron) on Wed nights to take them to church. Please know - that if Garner needs a ride, I am here for him. Please call me at 678-232-0776. May God be with you all during this very sad time!###imported-begin##Sherry Maddox###imported-end##

“ I am deeply saddened by Rachel's passing. She was a good friend and loving mother; we would often compare notes about our sons. She was so proud of hers. Although it has been some time since I've spoken to her, I thought of her often and regret that I didn't know of her illness. I'll miss her dearly.###imported-begin##Joy Hopkins###imported-end##
