“ I met Rae when I started working at Reflections Day Spa in Springfield Ohio. She was the most energetic person and always smiling.  
I was fortunate to do her hair before she moved. She will be miss. My thoughts and prayers are with her family. RIP Rae. Kathy Harding.

Met Rae 22 months ago after moving to Brookdale Chambrell. We enjoyed just about everything. During her recent bout if being in wheelchair she would call me the Uber driver. So I would push her to activities laughing all the way about something.

Rae and I went to so many conferences together. I stayed at your house in Atlanta with Rae and enjoyed meeting you. We always enjoyed our trips, and our friendship/ I cannot come to the service on Saturday because I am house bound since back surgery. I am so sorry for your loss.
