“ My mother, Leta, was blessed to have Rachel as a friend. I remember in years past how Mom, Rachel and Mary enjoyed each other's company as they shared their meals together, walked outside with their walkers, played Bingo, sang hymns, and many other activities at their assisted living facility. Rachel would always greet us with a smile and a wave when we visited. When Mom's health declined Rachel would visit and let Mom know she was praying for her. Mom passed away in January. I feel certain that Mom is rejoicing with Rachel in their heavenly home. We are thankful that Rachel's daughters took pictures of our family members at several of the facility holiday dinner celebrations and gave Mom copies to share with us. We are glad to have these and appreciate their thoughtfulness. All of the family are in our prayers. We are grateful that our Moms became friends and were able to share many good times together.
