“ *I was so saddened to hear of Ralphs passing. I worked with Ralph and remember when we were having equipment issues, he stayed with us until 10:30pm fixing the problem, getting on the floor in his dress pants. This is just a small piece of the wonderful things I have witnessed him do while working for him. I am certain he will be missed by his friends and family. My sympathy to you all. Mary Tyler*

So sorry for your loss. Ralph was my boss many years ago and was the best in what ever he did. When my first child was born you and Ralph open you house to me while Carol was in the hospital which we never will forget. Frank and Carol Cesario

Hello Valarie. I just learned from a friend of Lorraine's of Alan's passing. He and I, along with his brother Gary, were close through grade school to high school and even shared the same birthdays, I always thought of him on mine and thought about emailing him from time to time. So sorry to hear of his loss, have such fond memories and still remember his phone number to this day....FR8-08___. God Bless.
