“ I am extremely sad to hear of Randy's passing. Randy was my boss when I worked for 911 in Cherokee County over 20 years ago. He was a pleasure to work for and I have a lot of fond memories of him. I've only seen Randy a few times over the last 20 years until approximately 6 months ago. I contacted Randy because I work in a nearby school where one of my students passed away. He was a beautiful child of a single mother with very low income. To make a long story short, the local school community, police officers and churches contributed funds so this child could have a proper funeral/burial. However, NONE of this would have been possible without Randy's assistance. When I contacted Randy he immediately went to work to help me with arrangements for this child with absolutely no hesitation. After all the years, I found Randy to be the same compassionate man I've always known. He will be missed dearly on this earth but there is a special place in Heaven for such a kind and caring man!##imported-begin##Becky Gunnin##imported-end##

“ Joyce, Tracey, Jennifer and family-----We are broken hearted for you and your family! We feel so helpless and humble but would love to tell you how much Randy meant to us. We never saw Randy not one time that he wasn't concerned about us and what we have been up to. We never wanted to leave him mainly because we had so much in common. Yes, we talked about us, but he always commented about his family and of course his GRANDCHILDREN! He loved his family and he loved people. HE WAS A PEOPLE PERSON, and I loved that about him. He always made everyone feel so comfortable and we never had a loss for words. We will miss him terribly, but know that he is in a better place. He was a special person and we know that all of you are going to just try really hard to savor the thoughts of all of the people that loved him so much!###imported-begin##Ted and Edie Stewart###imported-end##

“ *Randy was one of the sweetest, kindest persons I knew. He was a constant and positive friend to my husband. David and Randy talked all the time on the phone. David was always smiling and nodding about something Randy had said on the other end. I have very fond memories of laughing with Randy and Joyce as we traveled together for several years.*

I am certain that this guestbook website will overflow with testimonies to Randy's goodness, his professionalism, and his genuine sympathy for those who were before him in the saddest moments of their lives.
