“ *Early in my friendship with Paul, we were in Ray's home talking about friendship and relationships. He shared wisdom with us that I remember to this day. He told us that if we leave this earth with one or two closest of friends, we are blessed. Since that time, my friendship with Paul is as deep and blessed as Ray stated. Thank you Mr. Fagan for your blessing! I only hope that my life can be remembered with the admiration, love and respect that you achieved in your long life!*

God bless to all the Fagan's during this time of loss. What stays with us are the memories. All the great memories.
