“ *I am so sorry for your loss. Ray was a great co-worker at the Department of Audits for many years. He was always joking even when we had a deadline to meet. He said that when he retired he would enjoy his time with family and the golf course. You and your family are in my prayers.*

“ Linda and family, my condolences to you all. I have such fond memories of our times together (a lot of time playing softball). Ray #1 and Eddie #10 were the best right handed hitters hitting the ball to right field I ever saw. Both enjoying their reward in heaven now.
