“ I have known Ray for a long time. We rode to work in Atlanta together, he was always the one with the best stories and they were always true.

I remember one day Ray came by, he had just bought a new motorcycle and took me for a ride. That day he introduced me to fun of the real open road. And sold me on my need of one. It was about a year before I talked Pat into my need for a better way to go to work.

Ray had a way of convincing you.

At-a boy Ray I enjoyed it. One day we will take a ride on the other side.
