“ *Our friend Raymond we will miss you so much. It was always a pleasure to look down at my phone and see it was you calling. So many memories of such a wonderful person. Martha has more than I do. We shared some last night. My heart goes out to Clare. I know she is devastated. Such love you all have and will always have. Hugs to you from your friends in Wilmington. Love Gail, Martha, and Eddie*

Ray was my cousin, but, he was more, my brother. This will trully leave a void in our families life. I loved him very much. There are so many memories, I could write a book.

Our long,long time friend Raymond has left our world. By now I feel sure he's found a newspaper and a place to set and read it. Remembering the good times. Love ya man.

It was my privilege to be a friend of Ray's throughout our high school years at EAH. He was a genuinely nice guy and good friend. So sad to hear of his untimely passing. Prayers for the family in the difficult days ahead. RIP my friend.

I just saw this while looking up my old friend, Ray Rollins, who I knew in 1978. He was a fun guy. I am very sad. Is his cousin Robin still around?
