“ *Remembering your mom with such fondness, she was such a sweet lady. I always think of you all when I drive into Dahlonega and pass by the house you lived in. She was a beautiful one, inside and out! My sincerest condolences to all of you -*

“ Dear Cameron Family,

Please know that we hold your family in our hearts upon hearing of your Mother's passing.

We especially loved Jean. She was always gracious to share her stories about growing up in a time long gone by. She often talked about her love of good food and memories of the “wonderful smells” that emanated from the family stove when she was a child.

Too, her compacity to love seemed boundless. Not only did she have great love for her family and friends; but she took time to love the newcomers and strangers that passed through her life.

She was kind, generous and full of life. Her compassion continues to shine on through each of you

May she rest in peace knowing she lived a good life!
