“ *Ruben was one of the smartest and nicest boys in our class. He set a great example for all in our class of 1960. Sorry for your loss and I know you will have wonderful memories of a great person.*

“ *So sorry to hear about Ruben. He was such a fun guy and will always remember him as "Rueben Sandwich" He always laughed. Long time memories...Janet*

“ *Sara, so sorry to hear of your loss of Rueben. The lost to you and your family is so overwhelming but so was his SMILE. Reuben was always smiling and full of life and uplifting with a great lady by his side or at times leading him. I have had many great times a favorite watering hole know as Rubyland, with you both. The hours of conversation and friendship is timeless. I am so sorry again for you and your family.*

“ All the boys in our Family had a great role model in Grand Daddy Taylor. And Ruben demonstrated those same great character traits well of trying to be a Good Christian, Good Husband, Good Father and Good Friend. I am so proud to be of this family and so Thankful that Ruben got to know Landon a little before he died. I know they both are in Heaven discussing the POTUS ! I love you Ruben and look forward to our next Family Reunion one day.

“ I am so happy that Reuben and Sarah walked into our lives. He is such sweet person and the love him and Sarah shared is so precious. All of his friends that sang with him at Karaoke will miss his friendship and his sweet voice and caring nature. My prayer is that Sarah and Reubens family have comfort knowing they were loved and he is not suffering and his body is healed. We all love you Reuben. Paula Jones

“ Reuben was our neighbor for only a short time, but we already miss seeing him on our daily walks. He showed so much pride and love for his wife, family, and home. I enjoyed talking with him about attracting the birds to our neighborhood. Each time I see a blue bird stop at our feeder, I will think of him. Much love and sympathy to Sara, Serita, Paula and their families.

“ My memories are many. But the ones that stand out the most are the ones of our family gatherings. When I was young, We would all gather at our grandfathers house for any reason to share friendship and food and stories. And there was always plenty of stories ! Later in life I started having Thanksgiving dinners at my house. Kids, grandchildren,cousins and their children would come. It was always one of my favorite days. I always looked up to you as one of my heroes !!! Reuben, you will be missed greatly.

“ To my family:

Just want to say that I love you all very much. Reuben was my last brother-in-law. I loved all of them just like I loved Daddy. We are a blessed family to have had these wonderful men in our lives, Robert, Esco, Reuben and Daddy to love us, guide us and teach us about life and loving God and people. I know that Reuben is with the Lord and Mother, Daddy, Andrea, Esco Robert, Bessie, Carl, his own Mother and all those who have gone before us. We will join you one day soon. And the enitre family will never have to part again, and so shall we ever be with the Lord.

All my love,

Regina
