“ To the family of Ric,

My deepest sympathies for your loss. Ric and I were colleagues. Over the past 10 years, I enjoyed our meetings and especially Ric's knowledge and quit whit. I knew him as a tireless worker that was devoted to his family. I considered Ric one of the best people in my industry and a good friend. He was in Pittsburgh last year and we took in a Pirate baseball game. We had an enjoyable evening talking about work and family. All who came in contact with Ric are better for it. Our prayers are with your family.

Bob
