“ I will miss cousin Rich. Even though we did not see each other a lot through the years after leaving home, he was still in my thoughts. He was a good man, a great father and a dedicated husband. Shall miss him a lot as I have many fond memories of when we were growing up. Jan and I will keep the family in our prayers. God bless you Judy and your entire family.##imported-begin##Jerry Winters##imported-end##

“ Judy and family. We are sorry to hear of Rich's passing. Rich and I go back to the 6th grade and the 2 of us were in your wedding and you in ours. Although we have not seen each other in recent years, we are glad we stayed in touch and so sorry we missed the opportunities to get together. May this time of grief turn slowly to the great memories you share of your husband and your father, and may the peace of God be with through this difficult time.
