“ *My sincere condolences to Richard's family. Richard hired me in 1988 at Mitsubishi HVAC and I have stayed in touch with him ever since. Such a good man, a dear friend, a mentor and someone who always enjoyed finding a new BBQ joint to try out with me. Flying with him was always an experience, he was a pro at it and wasn't bashful to show his frustration when other travelers just weren't doing the right thing. He was also pretty good at riding a moped on the left side of Bermuda streets, even in the many round-about. I will miss my good friend and the lunches we got together for every few months.*
