Dear Granddaddy, I just wanted to say that I love you more than anything, and that you made my life so much better. All the memories we made together I will cherish forever. Thank you for giving me everything I ever wanted. All the Gatlinburg, and Panama City trips that you and grandma went on I wouldn't trade those memories for anything. Love you buddy, I see you on the other side.

“ *Della & Family, my heart is broken for all of you! I know how hard it is to have to say goodbye to your Daddy, Tonya and Tasha, and to the love of your life, Della. Life will never be the same and you will never stop missing Richard, but the sweet, sweet memories will help hold the broken pieces of your heart together. I just watched the beautiful memory video. It is a beautiful tribute to Richard and I know it's a small part of your precious memories. The love in your family shows in every photo and it is the love you have for him and for each other that will help get you through this dark time of grief. I wish I could be there for the service tomorrow. I am praying that the good Lord will hold you all in the palm of his hand and give you comfort, strength, and peace. You have lots of family in Arkansas that love you and are praying for you and grieving with you.*
