“ We just learned of Richards passing - we are deeply saddened for your loss, and wish we could have been at the services. Richard had been my mechanic for 25 years. Always honest, trustworthy, and reliable - A very hard working man, always kind.

We didn't know he was sick - I know the loss is unimaginable and please know our prayers are with you all.

God Bless you.

“ I just learned of Richard's passing. I'm so sorry, I had no idea he was sick. I've been a customer of his for several years now. I'm a "car guy" and we would chat frequently when I would visit his shop. We even discussed me coming to work for him to help out with the front desk.

I'm a colorectal cancer survivor. I wish I could have been there for him. My heart is with his family. He will be missed.

“ We are so sorry to hear of Richard's death - it was so unexpected. We have known him and Joy through his business, Richards Automotive, in the Union Hill Area for more than twenty years. We were always glad that he was there whenever my family needed a car serviced, inspected or towed. He will truly be missed by our whole family. May God comfort you and bring you peace, Doug and Cindy Kirk

“ Words cannot express the hurt I feel inside for Richard's family and for all of us who were fortunate enough to have known this incredible, wonderful, decent man. I know I will be a better person for having known him. Our business relationship morphed into a friendship that I will always cherish. Richard took care of his customers and their families, but his family.....his children , his grandchildren, and his wonderful wife, Joy.....they were his pride and joy ! Richard, thank you for being a part of our lives here! God forever bless you and, please, give your family the strength to carry on your remarkable legacy ! Your friend, Dan Jones

“ I am so shocked and saddened to hear the news of Richard passing. He was my one and only mechanic since I moved here over 13 years ago. I always knew him to be fair and honest and I could trust him with my vehicles.
My thoughts and prayers go out to his family. He loved his grandchildren so much. He will be dearly missed. The world has lost a great person, mechanic and businessman. My thoughts and prayers go out to his family.

“ *I just want to say that I did business with Richard for YEARS! He was an honest man and ran a great business. He was an example to the community. I, and several of my friends, have husbands who travel on business. He never took advantage of a woman coming in to get car service. He was exemplary in all of his business dealings. This is a tremendous loss to everyone. Prayers for the family. I hope the business can continue in his name.*
