Although I did not get to know Rich as well as I would have liked, he was a man who loved his family. He was kind, loving, funny and smart. To Reece and Lexi, keep the beauty close.

“ Rich always put Family first. He loved sharing, entertaining, and being with Family. Playing Santa was all about everyone else... as seen with the kids (Lexi, Reece and Cameron - niece) and my mother... they are hugging once again in Heaven. Yes Rich, a big thumbs up! You are Home.....Sweet Salvation!

I am so sorry for your loss!! 🌸🌸🌸
Rich and I talked every so often at the mail box. In front of my driveway or his driveway. He would always wave from his deck when I was riding my bike.
Rich was a very friendly neighbors and waved to everyone.
Again my condolences and blessings for the pain the family is dealing with at this time!! 🙏🙏🙏🙏🙏

“ Rich was one of my neighbors. We never had a conversation but he always greeted me with a friendly wave and smile when I'd drive by! The warmth he brought to the neighborhood will be missed. I send my condolences to the family.

“ I lived across the street from Mr. Rich. I'd see him pretty much every single day! He always greeted me with a warm greeting and asked how I was doing. About a year ago I bought a motorcycle and he rode it, we had some fun together! He told me every single day after that to be careful and to stay safe on the road. He always cared for others. Great neighbor. Rest In Peace Mr. Rich.

“ Dear Family,
I am so sorry for your loss!
Richard had been a great neighbor ! He greeted everybody and knew everyone. He and I literally had too many conversations to count. Richard could make small talk, discuss sports and politics or give meaningful financial advice. He would always make me laugh in the end. He was honest about some of his struggles, too. I will never forget how Richard's eyes lit up when he spoke about his children: A Dad feeling infinite love and pride for his kids. I pray his soul will rest in peace!

“ *I'm Ruth Butler, a friend of Karen's in CA. I only met Rich a couple of times on my visits to see Katen years ago. I was always struck by what a kind man he was, how much he loved his kids and that he was a man of strong faith. I'm so sorry for your loss and hope you take comfort that you know where he is and that you have assurance if you share that faith, that you will see him again in Heaven.*

“ *I enjoyed our times together, Rich, and have many fond memories over many years. One thing that always stood out to me was how each time we got together you were full of energy and excited to see my family. You were always interested in my boys activities and each time made us feel welcome. I will miss you energy and zeal for life Rich and promise to continue to pray for your children in the days ahead.
Peace to you my friend as you now rest in His eternal embrace.*

My thought and prayers are with Lexi and Reece, and your grand parents Caroline and Larry during this very difficult time. I pray that peace and comfort surround each one of you.. i knew Rich from years ago, but hadnt had the pleasure of seeing him in recent years. i remember Rich always had an infectious smile, laughter and loved to talk! Karen Myers(his ex sisternlaw) and i are lifelong friends and she had told me about a recent visit with Rich, and told me how great he looked and how much he talked about his kids and his deep love for them..she didnt realize at the time how very special that visit would end up being. You will be missed by many....God Speed Rich. Tracy Callas
