“ *Rick was one of my best Male friends - always comfortable to talk to and so down to earth. It has been a long time since I saw him at one of our reunions, and I would have loved to visit with him again. My thoughts are with his family at this time.*

*Always,

“ *I was a classmate of Rick's at Butler High School and had a number of classes with him. Although I did not know him well, he was one of the few polite seniors when often boys of that age are not so nice. My sympathy goes to Rick's family and friends. Prayers will be said for Rick.##imported-begin##Rebecca Simmer Fullerton##imported-end##*

“ My condolences. I look back on the years we played together and schooled together as some of the finest moments in my life. It all moves so quickly. Although I didn't have the opportunity of knowing Rick's family I want to wish you the kindness, humor and understanding for which I remember Rick.##imported-begin##Larry Hitchcock##imported-end##

“ Marilyn,Lindsay,and family, I am so sorry about Rick. He and I had been friends since first grade and that friendship continued thru graduation in 1966,always living near each other. I don't think I had seen him,or you,since his parents had passed,not far apart,but he was always close to my heart. I was so impressed when Lindsay would also attend our reunions,helping out where needed and seeing the closeness of our class. So,in that same closeness,I offer my condolences and to let you know,I will miss him and his smile. If you talk with Howdy,remind him that he bought my grandfather's old 1940 something Chevy and "souped" it up into a great car and extend my sympathy to him and family,also.

“ Our sincerest condolences to your whole family. Rick was a great teammate, a good buddy and just a wonderful man. At our class reunions, Rick would walk into the room and his great smile would be there for us all. He would ask Bout our lives and our families and always told us how much he was enjoying his life and it was so evident that he loved his family! He was a pleasure to know and we will miss him. God bless you all and comfort you.###imported-begin##Eileen and Rich Saul##imported-end##

“ Marilyn and family, I was a BHS classmate of Rick's. Rick and I weren't close friends, nor did we have classes together, but there was no one who didn't know and admire Rick, and respect him. He had an infectious smile and respect for others, and he respected himself. He strived to be a good young man, and he will be missed by all of us. “ *Marily, Lindsay, Lee & Nash,
I am so sorry and shocked to hear of Rick's passing. I was so hoping to see all of you at our class reunion. Rick would have gotten to see the love we all had for him. You can be sure that,we will remember and acknowledge him during our event. My prayers are with you. I will always remember Rick as a truly good friend and a super nice guy.*

I once read a saying that I would like to pass along to you:

Words, however kind can't mend your heartache, but those who care send you thoughts of peace and courage.

May you find strength in the love of family and in the warm embrace of friends.##imported-begin##Paula Stein Chaney##imported-end##
