“ Watched the movie, Arthur, a few days ago in memory of Boz. It felt good to hear all the one liners from that movie that Boz had made his own. Great memories of Boz at GA Tech. Prayers for the family

“ I've been in the Pharmacy department for 15 years and I can count on one hand how many of my colleagues have been friendly enough to sit down and have lunch with. Robert holds 3 of those places for me. He was ALWAYS such a sweetheart, easy to talk to, and had a wicked sense of humor that I enjoyed. I sought him out for his expertise, but also because I just always felt listened to and understood by him. He was a cool guy and I knew how much he was looking forward to his trip and he treasured time with his family. My sincerest condolences to his family; know that he will always be thought of with a smile by many.

“ Robert was a good friend and a great tennis partner. We were teammates for a couple of seasons. When he was in the pharmacy study program I was one of his “patients”, as he checked on my blood sugar levels and cholesterol numbers on a regular basis. I had not talked to him in recently until the “flag” season, but I will miss him.

“ Robert was a genuine class act who stepped up to help others. Always supportive of his sons in addition to a good role model. My loss for not getting to know him better as he touched several lives.

*He will be greatly missed as he's on his last journey where no campouts are required. 😊*
