“ One of my favorite memories of Tad is our senior trip after high school graduation with a group of amazing friends. He was the silly, fun friend with a heart of gold. I was also lucky enough to hang out with him after high school and see the beginning of the entrepreneurial spirit he became. I'm so sorry I cannot be there today but will raise a toast to him along with those present and in spirit to celebrate his life.

“ *To our sweet friend Tad, the most authentic person we've known. We are forever better having experienced your unending generosity, enthusiasm for life, boundless energy and wittiness. And above all else, the value you've always placed on friendship. You taught us so much just by being you. To Tad's precious family and caregivers, what an exceptional role you have played in making his quality of life beyond the best! We can all be comforted knowing we have a special Christmas Angel in Heaven. Until we meet again, may God hold you in the palm of his hand. We hold you in our hearts Forever. Love, Joanie, David, Peter and Bridget Casey. R.i.p. Eternally.*

Tad was a warrior for life's beauty with a dry sense of humor. A dedicated friend that I all ways knew had my back in thick and thin. They broke the mold on this man , and I will all ways look up and respect his memories.

God bless your journey CHAMP !
