“ Bob Treadaway was a true friend as I have ever had! When I first met him, he had been on a road job for three months. I was new to that kind of work, so I called him and asked if there was any way I could help him. His response was, "You're asking me if there is something you can do for me?!?" He always remembered that and so have I. Glad to have known him and worked with him. Alan Ovitt

“ My thoughts go out to the Treadaway family. "Tread" helped shape my career at GE and taught me many work and life lessons. I will always cherish his wisdom, friendship, guidance and patients for a young "wet behind the ears" kid.
