“ *There are actually so many! Bob would always greet me by saying
my name "Noorahhh", like it made is day to see me there. I often
took notes for him during dress rehearsals. This gave me a neat
glimpse into the mind of the Director. I baked homemade biscotti
and brought it to the Farley's Christmas Party as a hostess gift one
year. After that, nearly every time, Bob saw me, he would ask when
I would make more biscotti. Here's to all the biscotti you can eat,
Bob!*

“ *Being taken in...literally given a home...at one of the hardest times of my life. I was given a bed to sleep in, hearts to listen, and a stage to step on. Forever grateful.*
