“ *R A, there are no words to describe what Bob meant to me the past 29+ years. Above all he was my friend no matter what and I was his friend in the same manner. The world has truly lost one of it's "Good Guys" and will be missed. Jo and I will continue to cherish the great times that we had with the two of you. It was the best of times and the both of you will always be in our hearts. If you are the girls every need anything we are always here for you.##imported-begin##Clay & Joan Deal##imported-end##*

“ *Our sympathy to you, R.A. and the Robin and Tara. We loved your husband and father. He was an insiration to us and we willnever forget his love and acceptance of us as we joined the ADP family in 1974 and worked with him for many years after that. Bob is in a better place and without the pains of his mortal body...look at it as tough he has gone on before to prepare a way for his family. If there is anything we can do for you during this challenging time, just let us know. Our thoughts and prayers are with you. Ross and Sharman Pope##imported-begin##Ross Pope##imported-end##*

“ Its hard to know what to say. Bob was a friend, mentor, coach, and always someone you could count on. Bob was one of the best leaders of people that I have ever met. He was a good business man who always thought first about his people before thinking of himself. I learned a tremendous amount from him and will be forever grateful. RA, our prayers are with you and your family during this difficult time. We are all better for having been around Bob Taylor##imported-begin##Bob Massey##imported-end##
