“ *I met Bob some 40 years ago on the floor of the Chicago Board of Trade some 40 years ago. He was a "rube" from downstate Illinois and I was a city boy from Chicago. We hit it off immediately and remained friends thru all of this time. I cannot think of a more humble, honorable and friendly member than Bob Hagemeyer. I will miss him.*

“ *I met Bob at church a few years ago -- another member came up to me and said that Bob wanted to know whose vehicle that was in the parking lot with the Illini tag on the front. Illini fans (at least those willing to admit it) are few and far between in the heart of SEC country, so commiserating on the latest travails of our football and basketball teams became a regular occurrence. It was hard not being an optimist when you were around Bob...*
